

Hamilton Beach®

Hamilton Beach® 10 Quart Programmable Sear and Cook Slow Cooker

Extra-Large Capacity – Never worry about how to prepare a large meal at home again. Slow cook some of your favorite meals in big batches like chili, soups and stews. The extra-large sized pot is roomy enough to slow cook a 10 lb chicken or an 8 lb roast.

One Pot Convenience – Sear, brown and sauté your favorite meals without having to use numerous pots on the stovetop. The removeable nonstick aluminum pot can be used directly on your stove and then moved to the slow cooker to lock in flavor and finish your meal.

Flexible Programming – Mix and match high, low or warm heat settings with your choice of 2, 4, 6, 8 or 10 hours of cooking time.

Easy to Clean and Store – The lightweight pot and lid go right from the table to the dishwasher for effortless clean up. Running out of room to store your new slow cooker? The folding grip handles make it easy to store until your next use.
