## Hamilton Beach® 6 Qt Air Fryer Lid

**Turn your Slow Cooker into an Air Fryer-** With one quick swap, you can transform most 6 qt slow cookers into an air fryer with the new air fryer lid from Hamilton Beach. Start by simply placing the air fryer lid on top of the crock. Then choose from presets like air fry, broil, bake/toast, or warm programs to get started. Not slow cooking tonight? No worries. You can use your slow cooker as a standalone air fryer and make favorites like crunchy zucchini fries or crispy chicken wings.

**Key Features** – Get delicious results with the pre-programmed controls. Brown cake crusts, broil cheese on top of casseroles or finish off your slow cooked apple crisp with the air fryer lid for a gorgeous presentation without ever switching appliances. The lid has a 60-minute timer and the temperature ranges from 150°F to 400°F. The cooking cycle will automatically pause if you lift the lid.

**Easy Clean Up** – The new Hamilton Beach Air Fryer Lid is made of stainless steel and is easy to use, clean and store under the countertop between uses.

**Included Accessories** – An air fry basket is included as well as a folding lid rest.
