## Hamilton Beach® Planetary Stand Mixer

**Mixing Made Easy** – From cookie dough and cakes to light and fluffy whipped cream and meringues, the Hamilton Beach® Planetary Stand Mixer is a must-have tool in every home kitchen. Mix, beat and whisk with ease in your hands free mixer.

**Everything You Need** – The Planetary Stand Mixer is equipped with a stainless steel four-quart bowl with handles for easy transport. It also includes a non-stick beater, non-stick dough hook and stainless steel whisk.

**Avoid the Mess** – The head of the Planetary Stand Mixer tilts back using an easy to grip handle and a splash guard helps prevent a mess. The attachments also provide complete bowl coverage, eliminating the need to stop and scrape the bowl.

**Speed** – With 300 watts and your choice of seven speeds, this mixer has every setting you will need. A speed control guide is conveniently located on top of the mixer for easy access.
