

...now that's
Good Thinking.

Hamilton Beach® Quick Assembly Outdoor Grill

Good Thinking. Features:

Assembles in Less Than 10 Minutes! – Everyone loves to grill outdoors, but assembling a new grill can take 2 to 4 hours, not to mention the time it takes to decipher the often-confusing instructions. With the Quick Assembly Outdoor Grill, setup is a snap because the grill is partially assembled inside the package. Just roll the grill out of the box and unfold it. With only a Phillips screwdriver to attach the side shelves, you'll be ready to grill your favorite steaks, burgers, chicken, fish or chops in about 10 minutes.

Full Size Cooking Area – With a large, porcelain coated cooking area with 4 main burners plus a secondary side burner, the Quick Assembly Outdoor Grill boasts a total of 61,000 BTU resulting in great cooking performance with a variety of foods.

Push/Turn Electronic Ignition System – for quick, easy lighting. A 2.5 inch round gauge lets grillers see the temperature so they can keep the heat at optimal levels for searing steaks, cooking chicken or grilling vegetables.

Product Name/MSRP
