## Hamilton Beach® 5-in-1 Air Fryer Toaster Oven

**Fast Results, Every Time** – The new 5-in-1 Air Fryer Toaster Oven from Hamilton Beach® uses powerful convection to add a crispy texture to any meal or side. Enjoy the goodness of fried foods without all the calories. Make spicy chicken wings, evenly browned chickpeas, broil fish or bake a 12” pizza - the possibilities are endless with this versatile appliance.

**Five Functions, One Air Fryer**– Equipped with 5 different functions, say goodbye to jumping between multiple appliances to prepare meals. This toaster oven not only bakes, broils and toasts – it allows you to air fry right in the oven.

**Easy to Clean** – When bread crumbs and food drippings begin to accrue, slide the tray out for cleaning. The 5-in-1 Air Fryer Toaster Oven comes with an easy-to-clean removable crumb tray for a fast and efficient clean up.

**Air Fry with Ease** –You can quickly select your desired function, adjust the temperature from 150 to 450 degrees and select cook time. This air fryer toaster oven combo also includes a convenient stay-on setting for foods with a longer cooking cycle. It has 2 adjustable rack positions to provide space for cooking multiple foods at once.
