Hamilton Beach® 4.5 Quart Digital Multicooker

One Cooker, Endless Possibilities – Save storage space and enjoy maximum function with the new Hamilton Beach® 4.5 Quart Digital Multicooker. This multi-purpose cooker combines the functions of a rice cooker, slow cooker, food steamer and more into one compact appliance. Intuitive push-button controls make switching between cooking methods effortless. A delayed start option and programmable timer allow even more flexibility.

Easy Grains for Any Dish – Individual cook options for white rice, brown rice, sushi rice, whole grains and quinoa will result in delicious and perfectly cooked grains every time. It can also make hot cereals including oatmeal, grits and more. This multicooker can hold up to ten cups of uncooked or 20 cups of cooked rice.

Simple Slow Cooking – This multicooker works as a traditional slow cooker with Low, High and Keep Warm modes.

Saute, Sear, Steam & Simmer– Use the Sear function to easily caramelize or brown meats prior to slow cooking. Sauté shrimp and vegetables or steam meat, fish and veggies to accompany your grains. This multi-cooker can also be programmed to simmer soups at the ideal temperature.

Additional Features – The 4.5 Quart Digital Multicooker has an easy-to-clean removable aluminum pot. It also includes a rice rinsing/steam basket and paddle.
