

Hamilton Beach

Hamilton Beach® 8 Quart QuikCook™ Pressure Cooker

Multi-functional – Enjoy the convenience and flexibility of cooking with a multi-cooker. The 8-quart QuikCook pressure cooker has 12 pre-programmed settings for a variety of dishes, from a roast for 8, to soups, beans and even ribs. The 8 Qt capacity is big enough to feed a large crowd and is a programmable all in one multitasker. Ready for dessert? You can even make a cheesecake with the unique cheesecake function.

TrueSlow™ Technology – Cook your meals all day, worry free, just like you would in a traditional slow cooker. Unlike other electric pressure cookers on the market, this multicooker is programmed to ensure a gradual rise in temperature, so your favorite dish turns out just the way you would always expect. So the slow cook function works just like every other slow cooker we make.

Easy to Use – Use any one of the 12 pre-programmed settings including brown/sauté, soup/stews, meat, poultry, eggs, cheesecake, vegetables, rice, whole grains, casserole, beans and yogurt. High or low-pressure options are available to so you can customize your time and pressure.

Additional Features – Includes a dishwasher safe non-stick removable pot, roasting rack and a rice paddle.
