

## **TrueAir® Fresh Essentials™ Odor Eliminator**

For the home that's in "winter mode" and filled with family/friends for holiday celebrations, the TrueAir® Fresh Essentials™ Odor Eliminator refreshes the air while releasing a discreet clean scent. The decorative pot blends seamlessly into the décor while a quiet fan runs continuously to freshen the air and remove even the toughest of odors.

Let the "creative" in you come alive when you swap out the grass for other flowers or crafty creations.

Priced at \$39.99, it's easy on the budget. (\$6.99 for replacement carbon filter and scent cartridge)
