

Hamilton Beach Dual Wave™ Blender

Showcase this blender at your next Halloween, Thanksgiving or Holiday celebration . . .then in the morning serve two smoothies for the kids as they head out to school. The Dual Wave™ combines excellent performance with versatility. The 80 oz. jar is double the size of most blender jars, so it means less time blending and more time mingling with guests. With two 16 oz. blender cups, you can blend one drink or two, accommodating different tastes. Powerful dual blades and dual motors (1,000 watts peak power) along with Dual Wave Action, ensure smooth results and no ice chunks every time.

Available in stainless steel accents at \$79.99 and black at \$69.99.
