Savoring the perfect cup of hot tea just got a little quicker. Equally suitable for entertaining or everyday use, this kettle is as beautiful as it is functional. Hot water is heated to the precise temperature and it's done faster and safer with the new, stylish, stainless steel red electric kettle from Hamilton Beach®. In just minutes, 1¾ quarts of water are boiled and ready to use. This kettle shuts off automatically once the water begins to boil, providing boil-dry protection and eliminating the extra step of turning it off.

Simply pour water into this red, dome-style kettle, plug it in, and in just minutes, the water is hot, powered by 1500 watts of power. Soups, hot teas, hot chocolate and hot cereals are ready to be enjoyed.
