Hamilton Beach has redesigned the popular Stay or Go™ slow cooker based on feedback from consumers. The new slow cooker was designed to include the most popular and well-liked features from the Hamilton Beach slow cooker line-up. The result? A slow cooker that can travel to the party, cook a fabulous meal and store away effortlessly.

The Deluxe Stay or Go™ Slow Cooker features a sealed lid latch with improved easy to use canister-style clips and a gasket for spill-resistant travel. It also features full-grip handles that fold flat when not in use for easy storage. A pull-out spoon rest and recipe cardholder are also included, making the Deluxe Stay or Go™ slow cooker a favorite for potlucks.

The Deluxe Stay or Go™ Slow Cooker comes with a serving spoon that clips into the lid handle. With a sturdy lid rest, the lid always has a place to go, and is positioned to direct condensation back into the oval stoneware. The lid rest also doubles as a cord wrap for storing convenience.

The stoneware removes easily and is designed to fit a 6 lb. chicken or two 3 lb. roasts. The lid and stoneware are designed for easy cleanup and are dishwasher safe. Heat settings are low, high and keep warm.
