Portable Nutrition to Satisfy Two Tastes

Delicious portable nutrition is as close as the new Hamilton Beach® Single-Serve Blender. From smoothies and icy drinks to shakes, it's the easy way to make a nutritional treat. Place ingredients in the jar and press the on/pulse button to maximize blending. Two 12 oz. blender jars with lids provide flexibility of satisfying different tastes and mobility to drink on the go. The travel lid makes it easy to drink from the jar which fits in most car drink holders.

"With smoothie consumption expected to rise over 60% through 2012, consumers can create their own healthy, budget-friendly drink," says Betty Bryne, consumer test kitchen manager for Hamilton Beach Brands, Inc. "Year round availability of fresh fruits and vegetables makes it more convenient than ever to make a smoothie or frozen drink. As part of a healthy lifestyle, smoothies are often used as meal replacement, and this blender is designed to fit into busy lives."

Skip cleaning a large, 40-48 oz. jar for one drink. The 12 oz. saves valuable time—cleanup is quicker and easier. Compact size and convenient cord wrap make the Hamilton Beach® Single-Serve Blender easy to store and the perfect size for the busy mobile lifestyle.
