

The Hamilton Beach® Sure Grip™ Electric Knife

Hamilton Beach®

Adjustable Slicing Guide for Perfect, Even Slices

Hamilton Beach® introduces the Sure Grip™ Electric Knife. With the adjustable slicing guide, the knife can cut consistent, perfectly even slices. Whether slicing a turkey for the holidays or a roast for Sunday dinner, this knife stands up to the task. Appetizer trays with cheeses and veggies are ready for any occasion in no time.

The comfortable Sure Grip™ handle makes this knife easy to use. “The hole-in-the handle design permits the consumer to firmly grip the knife with better control,” states Betty Byrne, consumer test kitchen manager. “This makes it easier when slicing large cuts of meat like hams or turkeys that take several minutes.”

The stainless steel blade removes with a push of the release button located at the front end of the handle. The blade is stored in a slot on the bottom of the knife.
