

Hamilton Beach®

Hamilton Beach® 7 Speed Stand Mixer

Ideal for Everyday Mixing – Make anything from multiple batches of cookies to a large dish of savory mashed potatoes in this heavy duty stand mixer by Hamilton Beach. Equipped with the same planetary mixing action as a KitchenAid®, the mixing head spins as it rotates to ensure complete bowl coverage. The 4-quart stainless steel bowl is easily accessed with the tilt-up head design.

7 Speed Settings – Mix, knead, whip or whisk with up to seven speed settings using 300 watts of power.

New Colors Available – Choose between black, rose, aqua blue, red or white color options that match your kitchen and style.

Attachments – Your favorite recipe has never been easier with the included nonstick flat beater, nonstick dough hook and stainless-steel whisk.

Splatter Shield – Guard against messy drips, drops and spills. Your mixture stays in the 4-quart stainless steel bowl and off the countertop.
