## Hamilton Beach® Fondue Pot

**Fondue Parties** – Whether filled with savory cheese or creamy chocolate, the new Hamilton Beach® Fondue Pot is sure to impress family and friends. The set comes with 6 color coded fondue forks for guests, keeping them organized at mealtime. The fondue pot is ideal for special occasions, parties or a simple family night at home.

**Key Features** – The fondue set has an adjustable control to keep food at the ideal temperature. The large 3-quart pot holds up to 12 cups of fondued food, enough for a crowd. The sleek copper finish is sure to look good on and off the countertop.

**Try Fun Recipes** – The new Hamilton Beach Fondue Pot is perfect for cheese, chocolate, hot oil or broth. It's also great for dipping bread, fruit, and cooking meat, vegetables and more.

**Additional Features** – The pot has built-in fork holders and a removable, nonstick pot for easy clean up. It is compact and portable – take it with you on the go. A breakaway cord provides added safety.
