

Hamilton Beach

Hamilton Beach® 1.5 Quart Multicooker

Small, but Mighty – The new Hamilton Beach® 1.5 Quart Multicooker provides the options and power of your larger multicooker, but in a size perfect for one or two people. It boasts seven functions, including Rice & Grains, Hot Cereal, Steam, Eggs, Slow Cook Hi & Low, and Keep Warm. This compact cooker also comes with a new egg/steamer tray for hard or soft boiled perfection, veggies, shrimp and more at the press of a button.

Home-cooked Experience to Fit Your Life – Hamilton Beach has found that one of the most important aspects of the home-cooked dinner experience is to fit within the consumer's lifestyle. Developing a line of multifunctional cooking products for home chefs, entertainers and families of any kind is important to bringing everyone to the table.

Side Dishes, Parties and More – The 1.5 Quart cooker is also great to use alongside your larger appliances for side dishes, appetizers and party dips. Serve up perfectly prepared rice, spinach dip and even a dessert with minimal effort.

Easy-to-use and Transport – The 1.5 Quart Multicooker has a removable, sealable lid with an integrated carrying handle. It's removable aluminum cooking pot is lightweight and dishwasher safe. The seven function controls and LED countdown timer are intuitive and provide optimal results every time.
