Hamilton Beach® Egg Cooker

Perfect Eggs, Every Time – Make perfect eggs for every meal of the day with the new Hamilton Beach® Egg Cooker. The removable egg tray cooks up to seven hard, medium or soft-boiled eggs, while the egg poaching tray allows you to poach up to three eggs at once. Whether it's a quick breakfast, a poached egg to pair with avocado toast, deviled eggs, a soft-boiled egg to top your ramen, or a protein packed snack – the options are endless.

Stainless Steel Lid – The sleek design looks great on your counter top and makes clean up easy.

Ready Timer with Tone–Waiting for the pot to boil is now a thing of the past, walk away with confidence while your eggs cook. You'll know exactly when your eggs are ready by the audible alert, preventing overcooking.

What's Included? – Included with your Hamilton Beach Egg Cooker is a seven-egg tray, a non-stick three-egg poaching tray, stainless steel lid and a water measuring cup with egg piercing tool.
