Good Thinking® Features

The Fast, Easy Way to Make Fresh Salads and More – Quickly slice, shred, grate or crinkle cut right into your bowl. Great for salads, soups, tacos, pizza and desserts.

Includes 4 Cones – For multiple cutting styles. Also includes colored cone guide to make processing choices simple and easy to read.

Convenient Storage – Cutting cones nest on the unit for easy storage. Also features built-in cord storage in the base.

Compact Design – The small footprint of the SaladXpress™ food processor keeps countertops free for food prep or other items.

Using SaladXpress™

1. Remove cone storage caddy from front of food chute. Carefully remove cones.
2. Choose appropriate cone for the food you will be slicing, shredding, grating, or crinkle-cutting. Refer to the color graphic on back of unit.
3. Connect the chosen cone to food chute with a simple twist to lock. Place a bowl under the food chute opening to receive the finished product.
4. Fill the food chute with food and place the food pusher on top.
5. Press ON/OFF button and gently push the food pusher down as SaladXpress™ processes food into bowl.
